“ Vickie, Maggie and Andrew.. My heart is breaking.. It seems like we have been neighbors forever. I am going to miss so much many things about Tandy. I was just thinking about how many times he rode his riding lawnmower down the street to chat if he saw me out in the yard. Or how if he saw me at the Mutt with a group of friends he would stop by the table to say hello and buy the group a round of drinks. His kindness, & generosity will never be forgotten. I will miss him greatly. Much love to all of you

“ *Just a quick note on his friendship. My wife was driving up the interstate to connect with the old Shadeland Ave. when she ran over something that blew out 2 tires on the same side of the car. Tandy just happen to be right there and saw her. He stopped to not only change one tire to the spare but then when I arrived, went with me to get the another tire and proceeded to change that one as well. Not that I couldn't do it. He just wanted to help so badly. That was a precursor of his service to our community as he was an outstanding individual and with his commitment to the Indianapolis Fire Department, retiring as Battalion Chief. I will surely miss him and that smile.*
