“ *We were so saddened to hear of Tom's passing. We were one of the family's so touched by his kindness. Our son, Jordan, moved out of a rental home and unfortunately, the one he was to move in to, was not up to par. We were able to find a different location, but it was almost a week before he could get in. Tom and Debbie instantly opened up their home to him to stay in their home!! We still remember that so fondly and upon meeting them, knew right away why Jordan thought so highly of them. God has a wonderful new angel to enter his kingdom! We will continue to pray for Debbie for strength.*

“ I remember Tom being a quiet guy who was always nice to me. I loved seeing the playful affection between he and Deby. I pray God comforts you all.
