Thom was the kindest , funniest, and most loving person I have ever known. Thom and I were close for 35 years, and he took a piece of my heart with him. No one will replace him, and my life has now changed forever. I love you my friend and I'm confident you are resting in peace. Till we meet again. Love Frauline.

“ *Thom was a dear friend from college. He was always the life of the party and he made whoever he was with feel like they were the most important person in the world. I was so happy to have reconnected with him via Facebook a number of years ago. He and several other friends came to visit me in New Mexico last summer and we had such a wonderful time together. We laughed constantly! That's how I will always remember him. We love you Thom. Until we meet again.*
