“ When I was a little girl and Dad would host an office party, I always hoped "Mr. Garrison" would be there, as then I would be included and in for a fun night! Always a dear friend to my parents, as I got older I was proud to count Tom as a friend myself. His gruff exterior could never mask his twinkling eyes and very warm heart -- and my heart is heavy today due to his passing. Betty and family, I hope to join you tomorrow to express my sympathy in person, but please know I share your sorrow and cherish my own wonderful memories of Tom Garrison -- he will be missed.
