“ I loved my cousin's commitment to his daughter and to the extended Mullen family. He represented his family often when logistically his dad or brothers couldn't. That meant so much to so many. You and your smile were taken too soon. Love Tina (Kruse) Strickler

“ Tom was a tireless worker. Many times he offered to help me when he saw a need. He did all this knowing that doing his job well helped the whole callsite. I already missed his friendly personality when I moved on and am sorrowed that I can't casually call and catch up now. He leaves a big hole in many of our lives. Jan Thomas
