“ Tommy, you are my Best Buddy! Having you in my life is such a blessing, I absolutely love the way you protect me from your Dad! I hear daily all the guff your Dad dishes out and you just give it right back. Makes me laugh each time I think about your relationship. I'm ever so grateful we went to lunch recently and the three of us shared such a great afternoon. No one will ever be able to whoop my butt in UNO the way you do...LOL My heart will never be empty, your memory lives there forever. I find comfort knowing I have a new Guardian Angel with such a big heart and more love to give than anything or anyone else I know. You are not gone, you were just needed in a much happier place than here on Earth. When the time comes and we all meeting again, I promise to have cookies and UNO cards if you promise to show me the ropes when I get there! Love you and miss you
