“ *Tim was the best friend for many years. Over the years we would connect and mostly talk about what I guess you would call "The Good Ole Days". I have been trying to find Tim for several years without success. Tim and I made some great memories together. He will truly be missed. My condolences to the family and God Bless!*

“ *I have such good memories of Tim. Our Dad's worked together at Wonder Bread when we were just kids. I remember our families getting together. Then, in High School we had lots of fun together. It has been over 40 years since I had seen Tim. I will be praying for his Mom and family.*

“ I am so sorry to hear about Tim's passing. I remember him from school 94, and he was always the class clown! Sorry we never re-connected at school reunions, but he is fondly remembered by his classmates, and I will be sure to add him to our "Tree of Life" for John Marshall High School.

Sincerely,

Tim, you made me laugh hard, so hard my stomach would hurt. Your sense of humor and kind heart always could make me feel better. I loved our long talks listening to the Eagles or watching the Colts play and getting real LOUD! Always there for me during the hard times. Seeing how much Bella and Pretty Girl loved you as you did them. For all this you gave me JOY everlasting! I am going to miss you so much Big Bro, know that I love you more than words can say.
