“ Hi Barbara,
I am so sad to hear of the loss of your mother. You were so fortunate to have such an amazing bond with her. She could not have wished for a better daughter, and you could have searched the world over and never found a better mother to you. She will live eternally in the hearts of everyone who loved her. Take comfort in knowing that she is free from the unkindness of ageing and is reunited with those she loved who have gone before her.

“ Barb... There are no magic words to say except we are sorry about the loss of your mom. The obit in the paper is the real tribute of what a wonderful person she was. No matter what was going on in her life, she always had a way of making one feel good. I always loved visiting with her. Always hold her in your heart and know she is with you. Her ability of love and care was definitely passed on to you and shows in you with your girls. Take care and know I am here if you need to talk.

“ As her niece, I will always remember Tirzah's kindness and loving nature. She had such a sweet smile straight from her heart. Her strength will carry on.
To all family of Tirzah, much love and sympathy. I am thinking of you at this sad time.
