*Lou and Family,
We are sorry to hear about Todd. Todd was our sales rep for years at the Morristown Schools and we looked forward to his visiting days for orders so we could chat with him. His smile and laughs were always a cheer to us especially if we were having a rough day at school. We have missed seeing him the last couple of years but he has been in our thoughts and prayers. Heaven has gained an AWESOME man!!!!*

“ Lou, We were so sorry to hear the news of Todd's passing. Todd was a great guy always willing to jump in and help at many of our big events at the restaurant and on the Dashboard Diner food truck. There will be a lot of good Golf stories shared the next few days, especially all of those years the Indiana Restaurant Association held there annual outing at Pebble Brook. My Dad and Todd always tried to out do each other to win first place each year. We would have the family foursome and the competitive foursome representing Edwards Drive In. Todd would always find that ringer to deal with! I believe McFarland Foods won most of those battles. Todd will be missed, his humor and charisma was contagious!! I'm sure Todd will find my Dad and my Grandpa on that Big Golf Course in Heaven. Our thoughts and prayers are with you; Lou Bob and Jan Edwards

“ Dear Lou, I am so sorry to hear of Todd’s passing. I barely knew him but as a wonderful neighbor to my parents, I met him during a similarly difficult time as my dad was dying of nearly the same cancer. Todd had recently been diagnosed and was fighting and came to the condo a few times in my dad’s final weeks to comfort and pray with him. That vision of those two wonderful men, one at the end of his battle and the other at the beginning, is one I will always remember. You were both so kind to my mom after his passing as well. We know how difficult this must be. We are thinking of you and your family.

“ *May God bring comfort and peace to you, Lou Anne and the entire Schwenn family. Our warrior has been called home. He fought a valiant and courageous fight against incredible odds believing failure was not an option, miracles happen everyday, and love conquers all. Anyone that knew Todd could feel the love for his wife, his employer and fellow workers, and life. His charisma was contagious and he just made you feel good to be around. About a year ago, we were talking about miracles and the power of faith as well as just plain old luck. Todd reached into his pocket and pulled out a penny. He said this was his lucky penny and he wanted me to have it. I was a little dumbfounded that a man facing the obstacles he was facing would give me his lucky penny, but I accepted it and placed it into my billfold. I will have this penny with me as long as I live. I finally figured out that he gave me that penny because he was already the luckiest person in the world. He had a loving wife, whom he adored, great doctors, and a faith that was inspirational to all who knew him. He will be forever in my heart. R.I.P. my friend until we meet again.*
