“ Verda was a dear colleague and friend. She was one of the most caring people I have ever known. She was generous in sharing her knowledge and very helpful. I learnt a lot from her. She had an unbiased attitude and was very fair in her dealings with people. I enjoyed working with her at Walker and we shared many common interests. After we retired we spent many an evenings together watching our favorite movies! Dear Verda I will miss you very much.

“ There are so many memories of Verda, as I was a major part of her life for 25 years.
The Holidays, Birthdays, etc. she wanted and expected a certain ritualistic type for each. She was fussy about herself and her home. She would always step up when there was need however. A strong Bible believer , she could quote chapter and verse.
I am sure she is in the hands of our Lord now. May she rest in peace.
