“ You have my upmost sympathy o the passing of your dear mother. She was a lovely lady we were friends, she took me to Purdue to see my artwork and she was apart of the Spiritual Cadence Gallery first show and she came back and helped me put my artwork on CD's for the art show The Hood. She really enjoyed traveling and I loved seeing all the places she went to. She will be truly missed. We went to St. Mary Academy and she told me later that she went to work while a teenager, supported the family, started a business and worked while in St. Mary Academy to graduate with her class and she did.
