“ I have had the pleasure of knowing Vicki since I was 4/5 years old. I can remember always wanting to be with her and Cindy. Vicki was one of the first people to talk to be about standing up for myself when kids would pick on me about my weight. I would come home from school having a bad day and she would always be right there to tell me "Don't you listen to any of them your the most beautiful little girl I know ". Them words got me through alot of bad days at school even long after she moved away.

Lots of prayers and big hugs sent to her family 🙏❤️🙏

ME

“ Ever since I was little, vicki and family took me in as their own. Vicki was like a mom to me and I'm grateful for her advice over the years. When my mom died, she didn't hesitate to step up and help me with all the things I needed as a girl. Thank you McKinnon family for showing me love and being my family when mine wasn't always there.
