“ So many happy memories of Vickie at our lumpy package birthday lunches and dinners.  
Her laughter was contagious, and she keep us all entertained with her stories. I will always remember the laughs and conversations we had in the car on our way to the birthday celebrations. Rest in peace, my friend. You will be missed.

“ John, Josh, and Erica- words cannot express how sorry I was to hear of Vickie's passing. She meant more to me than I ever had the chance to tell her, you all were a second family to me growing up and will forever have a piece of my heart. I'll be praying for God to lift you up during this difficult time.

*My sincerest condolences,  
Shawna*
