“ *Dolly McReynolds was a faithful member of Bethel A.M.E. Church in Noblesville, Indiana. Despite her recent health challenges, she always displayed a joyful spirit, an attitude of positivity, and ever present smile which will be sorely missed.. She was extremely creative: she would fill a whole room with the beautiful handcrafted items had made for the church's Christmas Bazaar each year. I will treasure the most beautiful Christmas wreath which she made a couple of years ago. It is so beautiful that we have not taken it down in the intervening years; it is on year-round display in our home. Condolences to her family of whom she often spoke. RIP beautiful Dolly.*

Sincerely, Janet and Ronnie Bennett

You always knew Dolly's truths. We had a lot of fun working together in NC at RHD. She was mighty in her own right and will be missed greatly. I'm glad our paths crossed over the years. May she RIH with our Lord and savior.

“ I am so very Blessed to have known my best friend, Dolly and her family. Dolly was the kindest and most caring person. She always went beyond the limits to help others and was always, always on the "side of right". Yes, she would call me out at times just as a true and genuine friend would... I'm gonna miss that! I will truly miss her on our frequent "runs" in the car and our deep conversations. You will always be in my heart. Thank you Heavenly Father for the privilege of knowing Dolly... "MJ"
