“ Walter once said within earshot of Buddy’s wife, Elaine, that Buddy’s ex-girlfriend was the one who got away. Elaine became such a jealous and vengeful witch that she forbade Buddy to ever bring their daughters (Tina and Kristi) near their grandfather. Those girls lived less than 10 miles from their grandfather their entire lives, yet never spent a holiday, birthday or anytime with him. Buddy never turned his back on his father, however Elaine made sure that Buddy only visited his father alone. Elaine, it’s no secret to everyone, Buddy’s true and dearest love got away indeed. What a pity. Walter, may you finally rest in peace.
