“ *My thoughts and prayers go out to all family members. My dad and aunt Wanda had such a special wonderful relationship. I was so blessed to have aunt Wanda in my life. I always loved going to her house for thanksgiving and other holidays. I remember Steve Gary and David messing around in the garage putting together their extravagant 4th of July explosive that would blow a metal bucket into the air and I remember aunt Wanda staying inside shaking her head and not wanting to watch. I'm thinking of you all! Xoxo*
