“ I was extremely upset to learn of Ward’s passing! I only had a casual relationship with him by playing Softball at Stoneybrook School along with other Witness friends in the early 90’s. He left a big impression on me as a mild and kind brother with a good sense of humor and he was, by the way, an outstanding Softball player! I saw him at a few Circuit Assemblies over the years, but our paths rarely crossed. My sincere condolences to the family during this difficult time. I really look forward to getting to know Ward much better when he returns shortly!
