“ Cindy, Melinda, Anthony, Brian I am so very sorry for your losing your dad! He was the only father figure in my life growing up. I looked up to Warren. I'm deeply sadned that he's gone. He's in heaven now with Aunt Elizabeth and I know we will see them all again real soon. Uncle Warren used to call me ( Hillbilly) I don't care where we was he would say hey hillbilly what are you doing . I love my uncle Warren.. he will be very much. Sending lots and lots of love and hugs to you guys  
Love Rhonda

“ I am my mother's last child her baby.  
So when I was born there was a lot of Copes.  
Uncle Warren came to see us and it seemed I was always in some  
shit, but when he was leaving I follow him to his car and you wrote a  
phone number down on a piece of paper and said if you need me  
call me.  
Will one day I managed to get to downtown Indianapolis found a  
phone booth and I dial that number.  
And of course he answered the phone and he said what's going on  
nephew?  
I think you already knew I was there,  
I just know I said come get me,  
In 20 minutes later a big Lincoln Continental pulled up.  
He took me to his home and that's when I first met my cousins  
Anthony, Brian, Melinda the Cynthia.  
I spend a month or two with all of them got to know a few of my  
Aunt's as well.  
It was one of the best times of my life and the first time I ever knew  
what a cousin was.  
At home my friends had them, but all mom we're in Indianapolis I  
had none in Cincinnati.  
I will never forget the time I shared with all of them.  
They had to be the closest family I had ever seen in my life, always  
doing something together really enjoying each other's company.  
I mean I was lucky to see my brother once every 5 years.  
Anthony Bryan Cynthia Melinda we're always doing something  
together like that's what you're supposed to do.  
Wow what a dysfunctional family I was from huh?  
But they made sure to include me it make me feel wanted, I never  
felt like I was an outsider or that I shouldn't be there. Anthony look  
at me for first time in his life when I got there so come on man jump  
in the truck let's go it took me under his wing like I was his little  
brother Melinda, Cynthia, and Brian did the same.  
As we grew up Anthony I kept in touch when I found out he lived in  
Florida at a family reunion, I started planning my Family Vacations  
in Panama.

*Our families hit it off we had a blast every time.*

*I've lost more stuff in my life twice in some people ever get once.*

*Always say oh well easy come easy go I get it again.*

*So when I was informed that he had passed, instantly an ending to another chapter in my life.*

*I know how this feels and my prayers are with you guys Anthony Brian Cynthia and you to Melinda I love you guys and you know that.*

*So now you guys have the opportunity to keep each other close a lot of times when the parents are gone the siblings seem to Drift away from each other.*

*I'm sure you all felt it when your mom past, I know I definitely did that was the end for me but you guys had so much more to keep you guys going an Awesome Father.*

*I want you to know I've never put myself out here like this on Facebook but My Uncle Warren was one of my best friends and I don't have many.*

*I'm going to miss you Unc. And I'll never forget you.*

*I'm sure you're already drinking coffee with Mom as I'm speaking.*
