“ Wendell was a friend of mine from elementary school in Jay right through to Graduation from High School. In those elementary school years, there was three of us who would walk, talk and laugh during recess. A memory that I will never forget and has sometimes haunted me, when we were in the fifth grade, we sat across from each and of course after recess we couldn't stop talking, our teacher finally having all she could take marched down the aisle between us and said, "will you be quiet" and slapped Wendell across the face. I was in shock, but that was life back in the 60's. Wendell was also a fierce competitor and was the catcher for the Jay High Tigers baseball team. I thought who would want to play that position, Wendell did and was darn good at it. Rest in peace my friend, you will be in my memories till the day I leave this earth.
