“ I don't know where to begin your family has been a part of my family for over 56 years. From when we traveled together with the Shriners and Gun Glub, to the 4G's at the Mandarin Inn, to traveling together as families, to Family Christmas at our/mom's house. I am so sad to hear about your passing Willie but I know that you will be in a much better place. I am sure that you have already seen Nathan (NB); hopefully you have found my mom too (Rosemary).I love you and your family. Thank you for always including our family with your family. Much love, Michele

“ *Mrs Willa Mae knew me since I was born. She never forgot my birthday.
When I was young she would always bring her granddaughter, Kristen, to VBS and would tell me to count her as my visitor for the week.
A faithful servant of God who will be truly missed.*
