“ Mr. Blake was one of the nicest and kindest men I've ever known. I feel lucky to have such wonderful childhood memories of him and playing softball with his daughter Melissa. I remember him always smiling and having such a positive cheerful attitude when coaching. Our eastside community (including Stonybrook Junior High, Warren Central high school and Warren Little League) was that much better because Mr. Blake cared enough to make our community and lives better. He was a wonderful man and us eastside kids were lucky to have him guiding us.

My deepest condolences,

Merrilinda (Missy) Nichols
