“ Thank you for always being there for me, as you were for so many others. Thank you for sharing yourself with me, and for your advice, laughter, and genuine concern, I am a lucky person to have had you in my life. I

appreciate all the great times we had together, whether through our travels, or just sitting and watching TV, (mostly racing). The bond we had was instant, and means the world to me! Thank you for being such a great father! I also promise to you to take care of Elaine! I will miss you always! RIP

“ Bill I will miss you greatly. I will never forget your dry sense of humor that you had until the end. I only hope I can be as strong as you were through your blindness and illness when my time comes. Elaine-Thanks for all you did to keep Bill happy and active.
