“ My condolences and prayers for the family. Dean was a wonderful woman. I enjoyed working, bible studying, laughing and knowing her. She will be missed. We were in Koinonia and United Methodist Women together. Thank you for sharing her with us.

“ I remember my Aunt Deanie, snuggling next to me when we moved into our new house in Jamestown (I was 5). There was no heat in the house, and we were 'roughing it' on the floor of the living room, it was early spring so it was pretty cold despite the roaring fire in the fireplace. She insisted that I needed to sleep between her and my Mom and she was so worried about me getting cold I thought she was going to smother me! It was clear she really cared!
