“ *Dennis & family, we offer our condolences in the loss of Jean. Our thoughts and prayers are with you all at this time.*

Each time we saw Jean we could see what a wonderful lady she was, whose love for her family, you, Barb, granddaughters Michelle (Samuel), Kristen (Matt), great-granddaughter Kaelei, the rest of the families and all those who surrounded her, was greatly felt. And, we know that her passing will not only leave a void in your life, but in the hearts of all those who knew her.

As the healing process goes, remember the lovely smile of Jean and the wonderful memories you have of her. Those are precious memories that will keep Jean alive in your heart forever. The love she had for her entire family goes beyond words can describe.

Those we love don't go away, they walk beside us every day. Unseen, unheard, but always near; still loved, still missed and very dear.
